Matthew Whitehouse #2 is sharing an application.

The image shows a Zoom meeting interface. At the top, a notification reads "Matthew Whitehouse #2 is sharing an application." The main area displays a shared application window titled "Windows Explorer" showing a dark image of a star field with a prominent purple nebula. The Windows taskbar is visible at the bottom of the application window, showing various icons and the system clock. At the bottom of the Zoom window, there is a video thumbnail of a woman on the left and a row of control icons (mute, video off, chat, share) in the center. On the right, a profile card for "Matthew Whit..." is visible.
