

BILL AND BONNIE LEDBETTER

Anderson, SC

Retired educators, Bill and Bonnie both taught at Texas A & M University before Bill accepted a position at Clemson. After leaving Clemson University, Bill began private consulting and Bonnie assisted him with administrative duties. Being educators, they really appreciate the mission of SCETV. They also enjoy a wide range of programs from entertaining sitcoms to theatre and music; from educational features to informational documentaries and many in between.

“We love continuing to learn information from programs like *NOVA*, *Nature* and Rudy Mancke’s *NatureScene*, but we are also committed to providing a means for younger generations to learn in creative and meaningful ways. That is why we have included the ETV Endowment in our will.”
